Dear Ms. Balan:

Your letter dated April 10, 2006, directed to Mrs. George W. Bush concerning your name check status for immigration purposes, was forwarded to the Department of Justice and subsequently referred to the Federal Bureau of Investigation (FBI) for reply.

A review of the FBI's Name Check Program database does not reveal that a request was received for you from the United States Citizenship and Immigration Services (USCIS). Therefore, you may wish to recontact your local USCIS office for further processing of this case.

I trust this information will assist you.

Sincerely,

William L. Hooton  
Assistant Director  
Records Management Division
