## INSTRUCTIONS FOR FIANCÉ(E) VISA APPLICANTS

This office has received a petition entitling you to “K-1” non-immigrant visa classification as an alien proceeding to the United States to marry a U.S. citizen. For additional information and frequently asked questions about the visa process, please refer to our Mission Germany website: [www.usembassy.de](http://www.usembassy.de). If you have specific questions relating to the status of your actual case, you may send an email, stating your full name and case number, to: [FrankfurtIV@state.gov](mailto:FrankfurtIV@state.gov).

While no specifics at this time can be given regarding the date and time of your visa interview appointment, you should now prepare for that appointment by taking the following three steps:

**FIRST: If you have not already done so;** please download, complete and send immediately to this office - the original form DS-230 Part I & II, DS-156, Non-Immigrant Visa Application (all applicants), DS-157, Supplemental Non-Immigrant Visa Application (all applicants from age 16), and DS-156K, Non-Immigrant Fiancé(e) Visa Application (principal applicant only), a copy of your passport and your preferred departure date. We cannot initiate processing of your application until this form has been received.

**SECOND:** Arrange for your medical examination. Visa applicants are responsible for scheduling their own appointment for a medical examination at one of the approved physicians, before the scheduled interview date. You should note that the medical examination is only valid for 12 months. Our approved panel physicians are listed on our website at <http://germany.usembassy.gov/visa/iv/step6/>.

**THIRD:** Obtain the following documents on this checklist, (even if they were previously submitted to DHS/USCIS or NVC) which pertain to you. As you obtain each document, check the box before each item.

**1. PASSPORTS (copy of biographic page):** A passport must be valid for travel to the United States and have at least 6 months validity beyond the issuance date of the visa. Please be advised that the visa will be issued in the same name as is listed in your passport. Children must have their own individual passports.

**2. BIRTH CERTIFICATES (original & one copy):** A birth certificate is required for each person named in the application. Birth records must be presented for all unmarried children under age 21, even if they do not wish to immigrate at this time. The certificate must include the date and place of birth of the child and the names of both parents. The certificate must also indicate that it is an extract from official records. If you or any of your children were adopted, you must also submit a certified copy of the final adoption decree.

**3. POLICE CERTIFICATES (original & one copy):** Every visa applicant aged 16 years or over, is required to submit a police certificate from the police authorities of each country of the applicant's nationality or current residence, where the applicant has resided for at least six months or longer, since attaining the age of sixteen. Police certificates must also be presented from all other countries where the applicant has resided for one year or longer. In addition, a police certificate must be obtained from the police authorities of every country where the applicant has been arrested for any reason, regardless of how long he or she

lived there. Police certificates must cover the entire period of the applicant's residence in that specific country. The certificate from your current country of residence must be of *recent date* (not older than 6 months) when presented to the consular officer. Further information about obtaining police certificates from specific countries can be found on the U.S. State Department website under the "Visa Reciprocity and Country Documents Finder": [http://travel.state.gov/visa/fees/fees\\_3272.html](http://travel.state.gov/visa/fees/fees_3272.html). This website has detailed information about how to obtain these records. The term "police certificate" as used in this paragraph means a certification by the appropriate police authorities stating what their records show concerning each applicant, including all arrests, the reasons for the arrests, and the disposition of each case where there is a record. Please note that a police certificate with an entry must be accompanied by a certified English translation.

- 4. COURT AND PRISON RECORDS (original & two copies):** Persons who have been convicted of a crime must submit each court record and any prison record, regardless of the fact that they may have benefited subsequently from an amnesty, pardon, or other act of clemency. **It is a mandatory requirement to provide English translations of all court and prison records.**
- 5. MILITARY RECORDS (original & one copy):** A military service record, if applicable and obtainable, is required.
- 6. PHOTOGRAPHS:** Two color photographs for each applicant, regardless of age, is required. Please see our website for further details: <http://germany.usembassy.gov/visa/photographs/>.
- 7. EVIDENCE OF SUPPORT (original completed form with original signature):** Evidence which will show that you and your children, if any, are not likely to become public charges in the United States. If an affidavit of support is submitted, form I-134 should be used. Should extra copies be required, the I-134 may also be downloaded directly from the "Forms" page on the USCIS website: [www.uscis.gov](http://www.uscis.gov).
- 8. DIVORCE & DEATH CERTIFICATES (original & one copy):** Proof of the termination of any previous marriage must be provided (e.g. death certificate of spouse; final divorce decree or annulment).
- 9. CUSTODY STATEMENT (original & one copy):** If your minor child (under the age of 18) is immigrating with you, then you must submit evidence that you have full custody rights over the child. If any parent listed on a child's birth certificate is not immigrating with the child (or has joint custody), then that parent must submit a notarized and signed letter, indicating that he or she consents to the child immigrating to the U.S. with you.
- 10. TRANSLATIONS (original & one copy):** All documents not in English or German must be accompanied by an English translation. Translations must be certified by a competent and registered translator. The original document that is being translated must also be presented with the original translation.
- 11. EVIDENCE OF RELATIONSHIP:** You may be asked to submit proof of a valid fiancé(e) relationship with the petitioner. It is therefore useful to bring with you letters, photographs, or other evidence of your engagement.
