RE: Personal written statement explaining the reason why I, PETITIONER, the petitioner, have not filed for tax returns in the USA. (Request for Initial Evidence (I-485) in relation to pending I-864 documentation file # _____)

Dear Sir or Madam,

On August 30, 2012 my husband, BENEFICIARY A#_____, received a Request for Initial Evidence (I-485) in relation to pending I-864 documentation that read the following: "Submit a complete Federal Income Tax Return submitted to the Internal Revenue Service (IRS) from the petitioner/sponsor on Form-I864, Affidavit of Support, for the most recent tax year".

The present letter is to clarify that I, _____, incorrectly filled out form I-864, making two mistakes in Part 6 of the form that I will address in the next two paragraphs.

1.) The first mistake was made on page number three, question 22 where I checked off option a.) "Employed" as a "housewife"; **the correct answer and box that should have been checked was d.) "Unemployed since 5/28/2012"**.

I previously resided in Mexico with my husband. I am currently unemployed in the USA but am actively looking for a position at a University or Research Hospital.

2.) The second mistake was made on page number four question 25 where I checked off: "I have filed a Federal tax return for each of the three most recent tax years. I have attached the required photocopy or transcript of my Federal tax return for only the most recent tax year"; **this box should NOT have been checked off because I have never worked or filed for tax returns in the USA during the course of my life.**

I had previously been a full time student and completed my bachelor's degree and PhD in Mexico. I would continue to visit the USA when there was an opportunity, that is, during school vacations and holidays to visit my parents and family, thus; I have never previously worked or filed for tax returns in the USA.

I apologize for the not filling out the form in the correct manner in the original submission. I appreciate your time and patience in the review of our case.

Thanks in advance,

PETITIONER
