You should coordinate payment with your attorney of record if one has been registered for this case. An AOS fee invoice is also sent to any registered attorney. Do not pay the AOS fee twice.

NVC Case Number: SGP2013504002

Important Notes:

1. If the applicant intends to adjust status with the U.S. Citizenship and Immigration Services (USCIS), please contact the NVC before making any payments or taking further action.
2. If the NVC does not receive communication from any representative of an immigrant visa case for a period of one year the termination process begins. All documents and fees then expire and must be resubmitted to resume the immigration process.
3. Children who pass 21 years of age after the petition was originally approved by the USCIS become ineligible to accompany or later join the applicant(s) immigrating to the United States under the original petition. However, the Child Status Protection Act (CSPA) allows some children to remain eligible beyond 21 years of age. If you believe that the CSPA applies to this case, please send a detailed explanation to the NVC. We will forward it to the U.S. Embassy/Consulate General for a decision.

Sincerely,

Director

Information about the DS-3032

Choice of Agent and Address Form

Unless an adjustment of status in the United States is requested, after approving an immigrant visa petition filed in the United States, the U.S Citizenship and Immigration Service (USCIS), forwards it to the National Visa Center (NVC) where the State Department's immigrant visa process begins. If the petition is for a visa applicant whose priority date is not likely to be reached in the next year, the petition will be stored at the NVC until that priority date is reached.

When there is an immediate visa available or likely to be available within the next nine months, NVC will send a letter enclosing the Choice of Agent and Address Form (DS-3032) to all of the applicants with a few exceptions. The DS-3032 will not be sent to the applicant when an attorney represents the applicant (and the USCIS file contains the appropriate designation that an attorney has been retained) or when the visa applicant will be the adopted child of the petitioner.

The DS-3032 permits the applicant to name an agent to receive correspondence from NVC and requires applicants still interested in immigrating to tell NVC where to send mail about their visa request. The letter tells the applicant that they may choose someone, including the petitioner or a non-profit organization, to be their agent or they may elect to continue to receive the correspondence themselves. The applicant must complete and sign the DS-3032 and return it to the NVC before processing can continue. Given the difficulties often encountered with international mail, we encourage applicants to seek an agent with a U.S. postal address.

So that you, as the petitioner, can understand any questions that the applicant may have about the DS-3032, we have enclosed a copy of it for you. While only the applicant can sign the DS-3032, you may send or fax a copy of the enclosed form to the applicant, if you learn that he or she has not received it. The applicant can then complete, sign, and return the DS-3032 to NVC. The mailing address for the DS-3032 is:
