The above petition has been approved, and forwarded to the listed consulate. It has been noted this is your second approved I-129F petition and as such, your information has been entered in a multiple visa petition tracking database. Please contact the consulate with any questions about visa issuance, or if you would now like them to forward the petition to a different consulate. The petitioner can also file Form I-824, *Application for Action on an Approved Application or Petition*, to request that we notify another consulate of the petition approval for visa processing purposes. THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

When the person this petition is for enters the U.S. based on this visa, he or she will be admitted for ninety (90) days in order to marry the petitioner, and based on that marriage file for adjustment to permanent resident status on Form I-485. The form to apply for adjustment can be obtained at any local USCIS office or USCIS forms center. Please attach a copy of this notice to the adjustment application when you file it.

If the petitioner and the fianc(e) do not marry within these 90 days, status will expire, and he or she will be in violation of the Immigration and Nationality Act if he or she does not depart. An extension cannot be granted. It is requested that the petitioner inform his or her local USCIS office if he or she determines that the marriage will not take place within the 90 day period. Please attach a copy of this notice to any correspondence about this case.

NOTICE: Although this application/petition has been approved, USCIS and the U.S. Department of Homeland Security reserve the right to verify the information submitted in this application, petition and/or supporting documentation to ensure conformity with applicable laws, rules, regulations, and other authorities. Methods used for verifying information may include, but are not limited to, the review of public information and records, contact by correspondence, the internet, or telephone, and site inspections of businesses and residences. Information obtained during the course of verification will be used to determine whether revocation, rescission, and/or removal proceedings are appropriate. Applicants, petitioners, and representatives of record will be provided an opportunity to address derogatory information before any formal proceeding is initiated.
