Passport Delivery Information

If your visa is approved, the Consular Section will send your passport to the Loomis branch you selected at the time of booking your appointment (shown above). Log in to your account to retrieve your waybill number.

You will receive an e-mail notification to let you know that your documents are ready for pickup.

Note: Wait at least 5 business days before you check the website for your waybill number. Please note that some cases may take longer depending on your own circumstances. Please refer to the waiting time that you received at the end of your interview.

You can have your documents delivered to an address within Canada for an additional fee, to learn how please [click here](#).

List of Documents

Thank you for registering for the courier services. Please come back in five business days to check the status of your documents.
