RE: USCIS Processing Time for I-129F (Receipt Number: XXXXXXXXX)

Dear Congressman <name>,

Five months ago, the USCIS received my I-129F application for fiancée visa ('Notice of Action' enclosed). My fiancé and I have kept our spirits up and made every effort to endure our time apart.

I am a federal employee. This year I was honored with a gold Excellence in Government Award from the Pittsburgh Federal Executive Board for research that helps protect workers and save lives. My fiancée was not in attendance at the ceremony and still waits for her I-129F adjudication.

I request for the USCIS to achieve their minimal goal of five months for adjudication in my case. Further delays adversely affect my family. Furthermore, government agencies should be accountable to maintain minimum performance standards.

Thanks to you and your staff for service to our country.

Sincerely,

<name>
