We hope this email helps you prepare for your interview. If you are unable to obtain all of the requested documents, you may still attend your interview at the U.S. Embassy. However, if you do not bring these documents to your interview, it will delay the issuance of your visa.

To facilitate a timely processing of immigrant visa applications, all applicants are reminded to register their delivery address online. Failure to designate a delivery address prior to your appointment date will result in delayed delivery of your passport and visa. To register online, click on the "Select Document Delivery Address" link under the Immigrant Visas section of our website (<http://www.ustraveldocs.com/ph/>). Once there, click on the appropriate link to register a delivery address for the first time, or to change an existing delivery address.
