

ASSESSMENT LETTER for Financial Sponsor

**Regarding Your Form I-864 Affidavit of Support and Required Financial Evidence**

---

---

*These instructions refer only to the Form I-864 completed by the financial sponsor named above.* The National Visa Center (NVC) reviewed your Form I-864 Affidavit of Support. This form had one or more sections with missing or incorrect information; was missing required supporting documents; or both. Please review the instructions below. You will need to correct your Form I-864 and collect missing documents as requested.

**Do not send the corrected form and documents to NVC. Instead, give all requested documents to the visa applicant, who should present them to the consular officer during the visa interview.** The form the applicant brings to the visa interview must be signed in ink. It cannot be a photocopy.

Failure to submit the requested documents at the time of the visa interview can delay this case. If you need to complete a new Form I-864, you can access the form and instructions online at **uscis.gov/i-864**. Additional information can be found at [nvc.state.gov/aos](http://nvc.state.gov/aos) (English) or [nvc.state.gov/aos/espanol](http://nvc.state.gov/aos/espanol) (Spanish).

You do not need to contact NVC at this time. After we schedule the immigrant visa interview, we will send the applicant an appointment letter.

---

---

**Please make the below corrections to your Form I-864 or gather the requested financial evidence:**

**[x] You must submit the following financial evidence:**

[x] Proof of U.S. citizenship, nationality, or Lawful Permanent Resident status (examples: a copy of your birth certificate, certificate of naturalization, certificate of citizenship, consular report of birth abroad to citizen parents, or the biographic data page of your U.S. passport).
