

To whom ever it may concern

The federal district of Brasilia does not offer police certificates as stated at <https://br.usembassy.gov/visas/list-public-security-secretariats/> This is why we do not have a state certificate for Brasília uploaded in the documents.

**PLEASE SEND DOCUMENTS TO CONSULATE AS IS**

Our case has already been pushed back twice due to NVC negligence to disclose the correct information needed from the applicant concerning the police documents.

**Thank You**
