

IMPORTANT INFORMATION – SAVE THIS MAILER

Use this section to speed your application for an extension or replacement card.

Help USCIS Serve You Better

We recommend you keep this notice in a safe place for your future reference. It shows your USCIS "A" or "N" number, which is your USCIS account and file number, and it also has other important information.

The tear-off portion of this mailer can also help speed your later application for another card. When you file for another card, we recommend you attach the tear-off portion to your completed application.
