RE: Request for New Appointment for I-485 Application to register permanent residence or adjust status

Name: (Full Name)

Dear Sir/Madam:

Hello, I am writing to request a new date for my I-485 Adjustment of Status Interview. I am currently in the Philippines picking up my son to bring him to join my husband and I in Utah. I left Salt Lake City, UT on Saturday October 26, 2019 and my husband received the interview appointment letter by mail on October 28, 2019, so I didn't have an opportunity to re-schedule my trip. The current appointment is scheduled for November 26, 2019 at 7:30AM.

I am anticipating returning to Utah by December 25, 2019 at the latest. This time frame depends mostly on how quickly we can process my son's visa. We have to fly to Manila two different times with processing time in-between visits. This is the reason I don't yet have my return trip to Utah scheduled and also why I'm not able to be back before the scheduled interview. I have called the USCIS and requested to have them change the interview appointment to a later date. That Service Request number is: **T1S3111905124SLC**. The USCIS rep also informed me that I needed to also send you a letter to advise you of the interview change request, please advise if this notice is not sufficient for any reason.

I am requesting that you please reschedule interview appointment after December 25, 2019. I have attached evidence of my travel in the form of my flight itinerary with Korean Airlines. I apologize for any inconvenience this may cause and thank you for your understanding in this matter. I look forward to hearing from you shortly regarding a new date for my Adjustment of Status Interview. Thank you for your consideration.

Sincerely,

(Full Name)
