**INSTRUCTION PACKAGE FOR IMMIGRANT VISA APPLICANTS
(Packet 3)**

Dear Visa Applicant:

We have received approval to start processing your immigrant visa application. For U.S.-filed petitions, please follow instructions provided by the National Visa Center (NVC) because your case is processed by NVC at this stage. For locally-filed petitions (petitions filed with USCIS Bangkok Field Office), in order to prepare for your interview with the Consular Officer, please read the following instructions carefully.

FIRST:

- Complete your [DS-260 application](#) form and submit it online.
- Create your own personal profile at www.ustraveldocs.com/th OR call the U.S. visa service desk call center at 02 105 4110 (Mon-Fri 08:00-20:00) to get help establishing your profile. Each individual applicant needs a separate profile.
- Complete all personal information required by the system. **It is very important that you complete your mailing address correctly** as the visa will be sent to the applicant's mailing address on the profile.
- **Print your GSS Registration Confirmation and send it with your packet 3 documents.**

SECOND:

- Obtain the documents on this list that apply to your case (list of documents attached), including the GSS Registration Confirmation page.
- Mail the completed set of paperwork to the Immigrant Visa Unit at U.S. Embassy Bangkok for appointment scheduling.

Once your documents have been received and reviewed, our Immigrant Visa Unit staff will contact you to notify you of the next step in the visa application process and/or your appointment details.

*You must complete and sign Form DS-2001 (attached). One DS-2001 is required per petition. **Include an email address on the Form DS-2001** so the IV Unit can notify you in writing of the date of your interview.*

You must completely fill out all forms. If a question does not apply to you, write "Not Applicable." Do not leave questions blank. Incomplete or inaccurate documentation will delay visa processing.

Each document must be submitted in original and with a photocopy for each traveling applicant so that the original documents can be returned to you after the interview.

Return all the documents and forms immediately by mail to:

US Embassy, Consular Section, Immigrant Visa Unit
120-122 Wireless Road, Lumpini
Bangkok 10330

Submitting incomplete documents and forms will delay visa processing.

APPOINTMENT SCHEDULING: Most immigrant visa appointments are scheduled by NVC and applicants will directly receive their visa interview scheduling notice from NVC. Only U.S.-filed and locally-filed petitions that have been approved for expedite are scheduled by this IV Unit. When you have completed the previous steps, the IV Unit will e-mail you an Appointment Letter with the date of your visa interview. We schedule appointments as they become available. Once cases are considered documentarily qualified (and current for quota cases), visa interviews are scheduled in approximately two months later. However, the IV Unit cannot guarantee all interviews will be scheduled that quickly. Each visa category and case is different, and we cannot provide an exact timeline. Do not contact the IV Unit to ask when your appointment will be scheduled. You should only contact the IV Unit to notify us of the death of the petitioner or an accompanying family member, a change of marital status, the birth or adoption of a child, or a change of address/e-mail address.

To download forms, learn more about the visa process, or see if your appointment has been scheduled, please go to [Immigrant Visa Homepage](#) of [US Embassy Website](#).

Unfortunately, due to visa demand, the IV Unit is unable to answer email or telephone questions about appointment scheduling. Rather, please check our online appointment schedule, which is updated every month.

What should I do if my appointment has been scheduled, but I have not received my Appointment Letter?

We have moved all packages and forms to our website. If your appointment is listed on our website but you haven't received an Appointment Letter, please download an Appointment Packet from our website and follow the detailed instructions. You may schedule your medical appointment directly with the hospital and enter the Consular Section waiting room (on the scheduled date of your interview *only*) without your Appointment Letter.

The Consular Officer cannot determine whether you qualify for an immigrant visa until you formally apply and are interviewed. Therefore, you should **NOT** make any travel plans, quit your job, or sell your properties until you have physically received your visa. If approved, your visa will be mailed within 5 business days.

***** IMPORTANT NOTE FOR MARRIAGE-BASED VISA APPLICANTS *****

Marriage-based visa applicants must carefully read and understand the [Information on the Legal Rights Available to Immigrant Victims of Domestic Violence in the United States and Facts about Immigrating on a Marriage-Based Visa \(Thai version\)](#) before your visa processing.

WARNING

The Consular Section does not endorse or have a "special relationship" with any individual or business that offers advice or assistance with the visa process. No one can guarantee the issuance of a visa to you. All U.S. government forms are free. Beware: many visa applicants lose money or are permanently barred from the United States as a result of misleading information and fraudulent applications provided by visa consultants.

Any document or information presented in connection with your immigrant visa application may be investigated. **Any attempt to misrepresent a material fact to the Consular Officer may make you permanently ineligible to obtain a visa.**

By law, an immigrant visa petitioner may be imprisoned for up to five years, fined up to \$250,000, or both for entering into a marriage contract for the purpose of evading any provision of US immigration laws. In addition, a petitioner may be fined up to \$10,000 and imprisoned for up to five years, or both, for knowingly and willfully falsifying or concealing a material fact or using any false document in submitting a petition.

Inquiries about visas can be made via: visasbkkiv@state.gov. Inquiries should include “IV Inquiry” and the case number (which usually begins with “BNK”) in the subject line. No inquiries will be accepted by telephone.

An immigrant visa is issued in the same name which appears on the applicant's passport. If you have changed your name due to marriage and would like the visa to reflect the change, your passport must first be amended to include the new name but it is not required that you change your name. Your passport must also show your correct date and place of birth as indicated on your civil documents. Any discrepancies should be corrected by the relevant authorities prior to your interview.

Family-based case: DNA testing may be recommended to you at your expense if you fail to present sufficient evidence to establish your bona fide relationship with your petitioning relative.

- ❑ **NAME CHANGE CERTIFICATE(S):** Required if the petitioner, applicant, or applicant's parents or children have ever changed their first name or last name. Name change certificates are required for ALL name changes.
- ❑ **SINGLE STATUS CERTIFICATE(S):** May be required if the applicant is a single adult (age 17 or older), obtainable at the local district office (Thai Amphur).

Stepchildren cases: Your biological parent and the petitioner must present all marriage certificates and proof of the termination of any previous marriages.

- ❑ **OFFICIAL GRANT OF PERMANENT CUSTODY FOR MINOR CHILDREN:** Please bring an official grant of permanent custody of each child who will accompany you. Evidence of

permanent custody is also needed at the time of child's application if the child follows to live with the parent in the United States at a later date.

Please submit an official consent statement from the non-applicant parent granting **permanent** custody for each child to emigrate to and live permanently in the US with the traveling parent. More information on how to execute the consent can be found [here](#). If a statement of consent is not possible, we will accept a court order of sole custody.

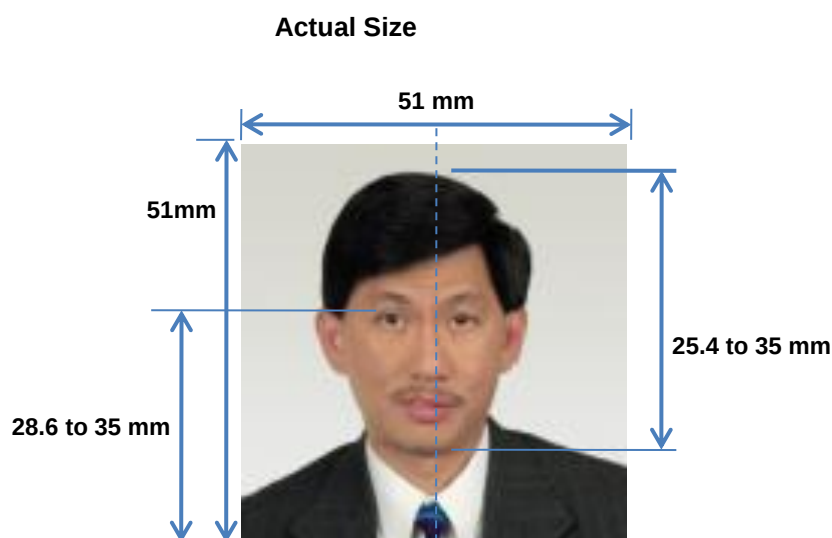

- ❑ **IMMIGRATION RECORDS:** Applicants who have been denied admission to the United States, who have requested legal status extensions, who have changed US immigration status, who have applied for asylum, been deported, or granted voluntary departure from the United States must bring all relevant documentation.

Sponsors' income must meet the [Poverty Guidelines](#) at the time of Affidavit of Support filing. More instructions on how to file the form I-864 can be found [here](#).

- If your petitioner has submitted a Form [I-864](#) to the NVC, check to make sure the form and accompanying tax information is from the current year. If it is not, updated forms will be required to be presented at the interview.

The principal applicant should also sign a Form [I-134](#) for each dependent applicant. More instructions on how to file the form I-134 can be found [here](#).

Original documents below must be presented at the interview. No need to mail them to us at this stage.

You must bring with you at the time of interview sufficient evidence that you have a legitimate, ongoing relationship with the person who has petitioned for you, such as photographs, letters, detailed phone records from telephone companies (prepaid phone cards are not acceptable unless they include detail of individual calls), e-mails, old household registries, and/or any other evidence that demonstrates your relationship with the petitioner over time. Failure to bring these items will delay your case or result in revocation of your petition.
